Hello,

Just a friendly reminder that your comments on the draft risk assessment document (below) for Subpart W are requested on or before January 18, 2011. If you have already responded, thank you. If not, please take a look at the document, as it is an important portion going forward in any revision of the Subpart W standard. Thanks again.

Subject: Draft Risk Assessment Document - Internal Deliberative Document

Hello All,

My apologies for being out of touch for so long. I have attached a draft risk estimates document from our contractor. (b)(5) - Deliberative Process Privilege

I know it will be difficult to review this document within the next week or so. Therefore, I would appreciate it if you could provide comments to me by no later than Tuesday, January 18, 2011. After I have compiled the comments, we will have a workgroup meeting to discuss. Thanks for all your help, and Happy Holidays.

Reid
